

Headteacher's message

Well the weather has certainly taken a turn this week but that hasn't stopped the children going outside and enjoying themselves! It has been lovely to see the children being given opportunities to get out and about right across the school, Cowloe Class picked a great day for their nature hunt and Brisons and Longships have had lots of fun in their outdoor area.

Children are getting very involved in their topics and are really enjoying their learning. Brisons and Longships will be having a 'Stone Age Day' on Tuesday 14th October, where they will be taking part in lots of engaging activities throughout the day. They do not need to dress up that day; they just need to come prepared for a fun filled day!

Attendance has been great this week, it seems that we have got over the first round of coughs and colds relatively well and everyone is getting stuck into their learning. We had a visit from a member of our trust, TPAT this week and they were full of compliments about how lovely our children were and was very impressed with how settled and happy they were.

Over the next few weeks, we will be setting up new Google Classroom pages so that we can use them to set homework and share messages. We will let you know when this is up and running. I am aware that we usually do a parent's evening this term, I am awaiting further guidance as to how this can take place and I will update you as soon as I know more information.

This week you should have received an email about the year's Flu vaccinations. In case you missed it, the immunisation team are due to visit school on Friday 20th November. In order to access the online consent form, please enter or click on the following link <https://www.kernowimmunisations.co.uk/Forms/Flu> PLEASE ENSURE YOU QUOTE THE FULL UNIQUE SCHOOL REFERENCE CODE. The code for your school is: EE144894

In line with current guidelines, we have been keeping the windows open as much as possible so please ensure children have a jumper and / or fleece in school.

Have a great weekend everyone!

Learning Legends & special mentions

Aire— Mazie for exceptional listening and super-powered magnet eyes in all our adult-lead learning this week.

Brisons—Evie for demonstrating good understanding of partitioning in maths and for using great vocabulary to explain what she had done.

Longships—Mia for developing independent strategies to help with her learning especially in Maths.

Cowloe - Cowloe Learning Legend is Izzy. Izzy's confidence in her own ability has grown, particularly in Maths and I am so impressed with her resilience and positive attitude towards her learning. Well done Izzy!

Izzy also needs to be congratulated on her wonderful results in her dance exams!

Important dates:

- * Wednesday 21st October: last day of term 1 (school closed 22nd & 23rd)
- * Monday 2nd November: First day of term 2
- * Friday 20th November—Flu vaccinations
- * Friday 18th December: Last day of term 2

Important notices

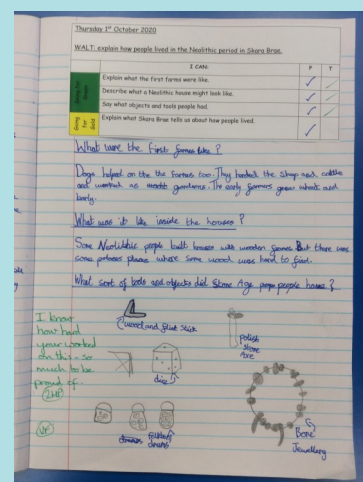

- ⇒ The play equipment is closed Mon—Fri, including straight after school. It will be left open after school on Fridays and closed again on Monday morning.
- ⇒ PE days will be Wednesday and Friday for years 2—6. Please come to school in PE kit on these days.
- ⇒ Snacks—Children have been told it's ok to have a packet of crisps or a small chocolate biscuit with their lunch but we are asking for their playtime snack to be healthy to help get them through until lunch time.
- ⇒ Now that the weather is turning, please make sure your child has a coat as we will be going out in all weathers! They also need a jumper and / or fleece for in school.

Longships class round up

Longships class have continued to work incredibly hard this week. We have been exploring verbs through the use of mime, and have used these to plan our own Stone Age adventures. In Maths, we have been continuing with place value and discovering what happens to each digit when we add or subtract 1, 10 or 100.

We demonstrated excellent research skills to find out how people lived during the Stone Age in Skara Brae.

Cowloe class round up

We have begun to plan our narratives based on a different point of view and we have used DADWAVERS to help us think about our sentence starters. In Maths we have been comparing and ordering numbers up to ten million and looking at how numbers can be represented in different ways. The children have been looking at how The Maya people wrote using glyphs and had a go at drawing some of their own which we found quite tricky. We also began our Science which is Life Cycles and habitats and we enjoyed a nature hunt around the school grounds.

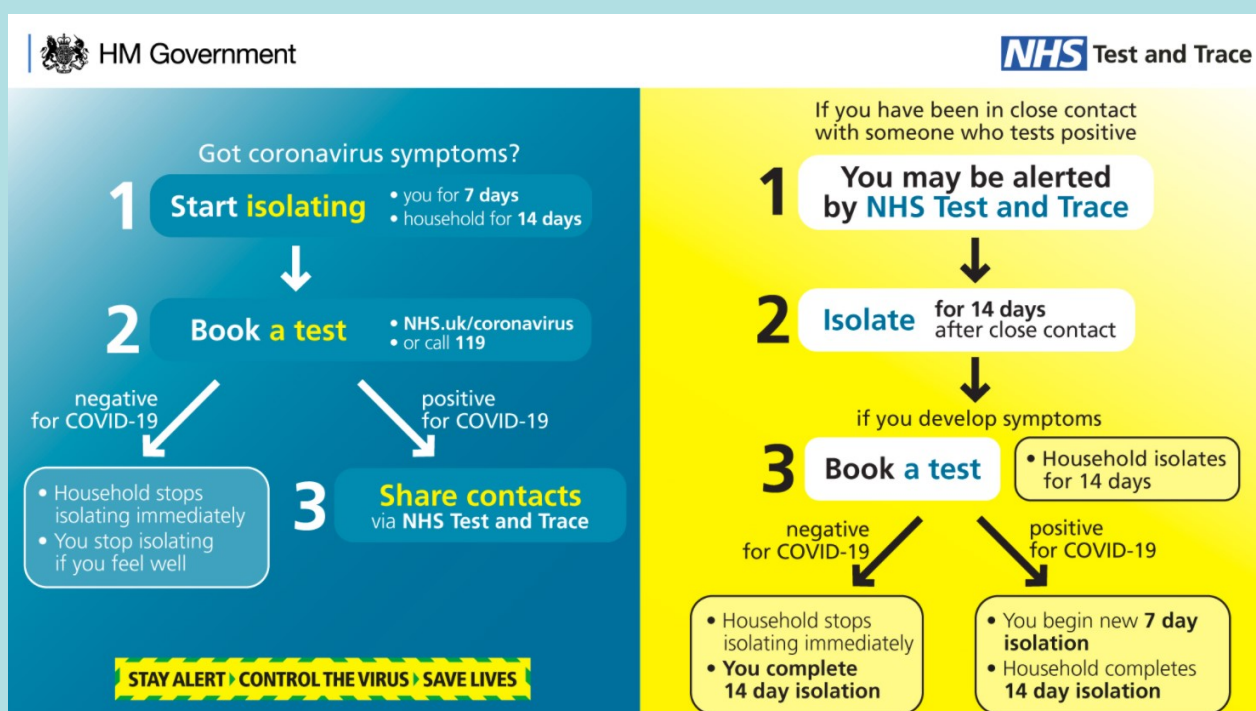

Covid updates:

Please see the website for latest guidance http://www.sennen.cornwall.sch.uk/website/covid_guidance/504702

Managing illness

Symptom	Action
Temperature New, continuous cough (NHS describes this as having at least 3 'coughing fits' in 24 hrs) Loss of taste or smell	<ul style="list-style-type: none"> Do not come to school, contact school to notify Follow Covid 'Stay at home guidance' Contact NHS 111 or visit NHS 111 online and arrange a Covid test If negative, return to school once well enough If positive, continue follow 'Stay at home guidance'
Vomiting and / or diarrhoea	<ul style="list-style-type: none"> Do not come to school, contact school to notify Contact NHS 111 or visit NHS 111 online for advice If a Covid test is not needed, children must be 48hrs clear of symptoms to return to school (as was previously)
Sore throat	<ul style="list-style-type: none"> If well enough in themselves, children are able to attend. If 2 or more symptoms are present, or if you are feeling concerned, please ring 111 or visit NHS 111 online for advice before sending to school.
Headache	
Fatigue	
Runny Nose	

Lunch Menu

Children will be asked what they would like each day by their teacher. Children in year R—2 get infant free school meals and it is £2.49 for the rest of the school, other than for those pupils who have been awarded income based free school meals.

ALLERGY INFORMATION: If your child has an allergy or intolerance please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child.
