

Head teacher's Message

What a week we have had! I know everyone had an update about our Ofsted but I wanted to take the opportunity to say a huge well done to the children and staff for such a positive day. The inspectors said that our children were absolutely delightful and that was the best possible compliment. We are hoping the final report will be out in around 30 days so we will look forward to sharing it with you all.

On Tuesday Longships went to Penlee Museum for their experience day to kick off their topic. The children were able to look around the museum and take part in some workshops to gain an insight into what life was like during the Romano British period. They asked such interesting questions and participated enthusiastically in the workshops. As ever, they were a fine representation for our school.

We were so blessed with the weather this week and it was wonderful to see the children all playing outside. The addition of den building equipment has been well received at break times and the children have loved creating dens, forts and bases together.

Music tuition—we have been lucky enough to access whole class music tuition from Cornwall Music Hub. Mr Menday will be teaching whole class Ukulele to years 3 & 4 this term and will then be moving onto years 1 and 2 after half term.

Vacancy—We currently have a vacancy for a 1-1 TA at the school. The link to the application form can be found on our website.

Car park—it has been mentioned to us that there are children running around near the car park after school. It is a tricky space as the old community buses take up a lot of space and reduce visibility quite a lot. We have been assured that they will be moving soon but please be mindful when returning to your car as we would hate for one of the children to be injured.

Attendance—We have received lots of holiday requests recently. Now that things are opening up a lot more I know lots of families are eager for some quality time together. With the amount of education the children have missed recently, the school has to be mindful of absences to ensure children are able to get back on track. We follow our attendance policy when looking at holiday requests, a full copy can be found on our website.

<https://www.nhs.uk/change4life/food-facts/healthier-snacks-for-kids>

- ⇒ Clubs currently on offer: Wednesday Years 3 -6—Football

Thursday Years 3-6—High five netball

Thursday years 1 and 2—Multi sports

Aire class round up

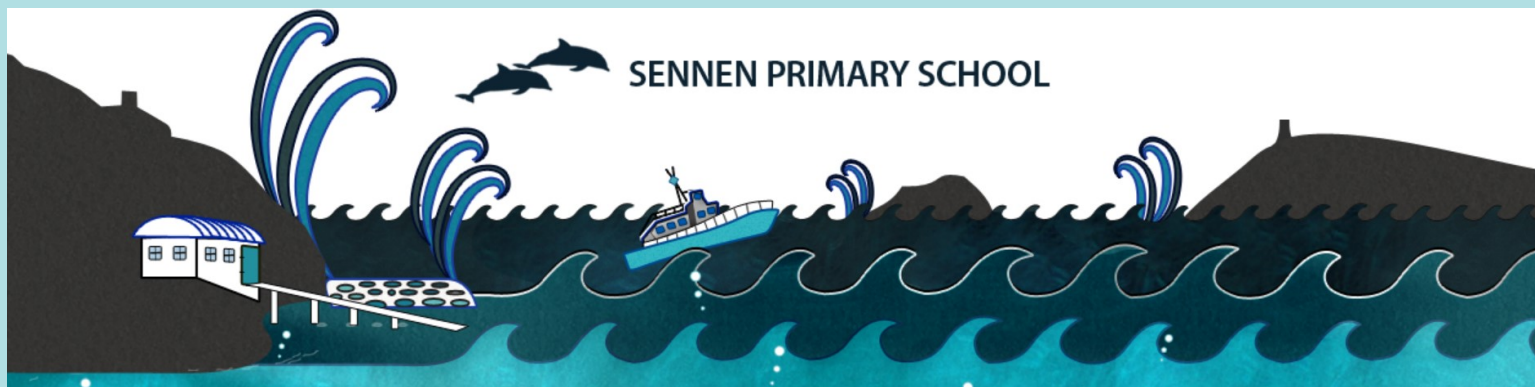

The children in Aire class have settled back into school amazingly well following the Christmas break - we have seen such a lot of wonderful creative play, independent writing and super special care of their learning environments. This week, the children explored the question "what is a fairy tale?" There was a lot of healthy debate about what characteristics a fairy tale prince or princess should have! In Maths, we have looked in depth at different ways to make 5 through different outdoor and indoor games. Other activities have included baking cakes, celebrating a birthday, exploring maps, making play dough, writing to Mrs Smith, woodwork and programming. A great start to 2022 - well done Aire Class!

Brisons class round up

This week has been a great, full week back for the children and with the weather brightening up we got to go out in our lovely outside area to take advantage of the warmth! We made some magical potions for our Marvellous mixtures topic and played lots of fun games. This week saw the start of another term of computing the children have really tried hard with it and seem to really enjoy the different tasks which is so lovely to see. This week the children have made me extremely proud by showing how incredibly polite, happy and lovely they can be and it as always is a pleasure to teach them all.

Longships class round up

One of the highlights of our week was our class trip to Penlee Museum which was great fun and we learned lots about the Romano-British period. The staff at the Museum were so impressed with the behaviour, knowledge & enthusiasm of the children-they really made us feel very proud of them!

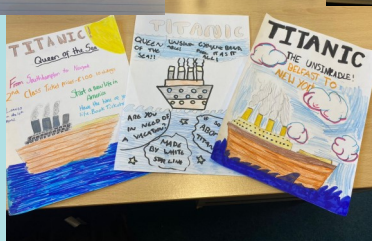

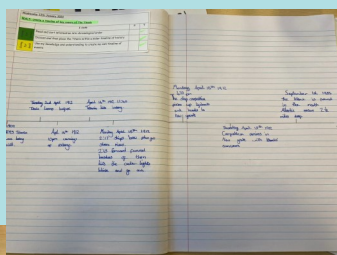

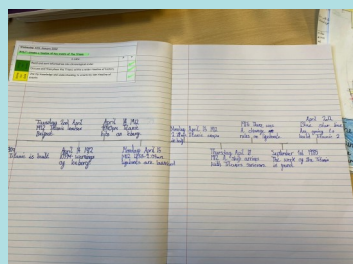

In Maths, we have built on our knowledge of arrays and discovered how we can use these to multiply a 2-digit number by 1-digit. We then discussed how we could refine our methods and make them more efficient with some great results!

The children were so fantastic when the inspectors visited this week and it was wonderful to hear just how confidently they were able to speak about their learning.

Cowloe class round up

It has been lovely to see the children back in school and their enthusiasm for our new topic 'Frozen Kingdom'. We have started our topic by looking at maps and learning about Icebergs and the polar regions. In English we are writing a non-chronological report about the Titanic disaster and we have been finding out about the different passengers and created a time line of events to help us understand the chronology of events. In Maths we have started to find equivalent fractions and simplify them and I am so proud of the children's positive attitude. It has been a great start to the term and year and I look forward to sharing with you all of the wonderful things we get up to!

Lunch Menu

Children will be asked what they would like each day by their teacher. Children in year R—2 get infant free school meals and it is £2.32 for the rest of the school, other than for those pupils who have been awarded income based free school meals.

		WEEK 3	
		W/C: 13/09 04/10 15/11 06/12 17/01 07/02 28/02 21/03
